

Adventure Awaits – Ice Show 2022

Info pkt #2 (2-21-2022)

We are getting closer to the Ice Show! – Please help spread the word, invite your friends, put it on Facebook, Instagram, Snapchat, Tik Tok, Twitter, wear your shirts, and sell tickets! We want to pack the house!

The following is information to help you understand Ice Show and rehearsal week.

VOLUNTEERS

- You help make the show a success!
- Each family is asked to work a minimum of three shows. Courtney Fettig is the Volunteer Coordinator. Call/text her at (701) 659-0044 to clarify or sign up. She will also send out the sign-up sheet.
- Skaters and volunteers enter the rink through the south Concourse door (where you have been coming in for skating) and report to the Volunteer Check-In person. **Pick up appropriate identification. ONLY VOLUNTEERS FOR THAT PARTICULAR SHOW ARE ALLOWED TO BE IN THE SKATER/LOCKER ROOM AREAS.** This is for the safety of all of our children. If you do not have volunteer identification for that show, you will be escorted out of those areas.
- As a volunteer, you are expected to **report to assigned areas one hour before the show** unless directed otherwise.
- Once you have reported to your assigned area, do not leave until one hour after the show or until you have checked with the coordinator of your area.

SOUTH ENTRANCE is for skaters and Ice Show workers ONLY. We will be enforcing this policy as it pertains to the safety of our skaters. The south door will be manned and Ice Show worker identification will be handed to each worker. Workers must wear the identification. Guests enter through the east doors of Wilson Arena.

GREEN ROOM: The Concourse Lobby area

This room is for skaters' hospitality where they may rest or eat snacks from home. We will not be having back concessions this year. Skaters will need to be wearing a cover-up/bathrobe in this area. Cover-ups/bathrobes keep the skaters warm and protect the costumes. The Green Room area will be monitored by Dressing Room Parents.

CONCESSIONS in the Green Room are NOT AVAILABLE for Ice Show 2022

COSTUMES & DRESSING ROOMS

Annetta Tweten – Costume Coordinator (701-269-9843)

- Do not make any changes to costumes, accessories, or make-up unless you have received approval from your costumer.
- Costumes will be kept in the dressing rooms at all times and may not be taken home between shows.
- Locker Room assignments will be posted in the Concourse Lobby and on the doors to each room. Room doors will also have the song titles posted. If you need assistance locating your dressing room, please ask.
- Dressing (Locker) rooms will be open to skaters beginning March 31st for Dress Rehearsal

Skaters are to bring the following the night of dress rehearsal and leave in the dressing room throughout the weekend. Please label your basket and your belongings.

- Tub/Clothes basket for storing the following individual items
- Water Bottle
- Skates-polished with new or clean **white** laces in them
- Skate guards (NO light-up guards)
- Tights
- Bathrobe/Cover up: Large button-up shirt or something similar is to be worn at all times when the skater is not skating. This keeps the skater warm and protects the costume from soiling with makeup or food.
- Makeup: Blush, Lipstick, and Eye Shadow- blue/purple colors for eyes, rosy blush for cheeks, and red lipstick work well on the ice. We want to be able to see our skaters' faces and not have them washed out against the ice. We allow the boys to wear some less makeup but we still really want them to have a little color. Keep makeup in your tub/basket.

- NO FOOD or DRINK (other than water) is allowed in the Dressing Rooms
 - If you plan to eat, wear your cover-up/bathrobe and do so in the Concourse Lobby (Green Room) area

- *Skaters must stay together as a group, do not go anywhere without permission from your Dressing Room Parent.*

ALL skaters will be wearing make-up beginning with Dress Rehearsal on Thursday. Because of the lighting and the wash-out effects of the ice, skaters are required to wear **Theatrical Style** make-up. Dressing Room Volunteers will instruct and assist with application.

Jewelry:

- NO personal necklaces, bracelets or rings are to be worn during the performances. Small stud earrings are okay. No hair ponies on the wrist!!!

Hair:

- Make sure the skater's hair is pulled away from the skater's face. Use hair ties, pieces, or accessories as assigned for each number.
- Be sure to use hair spray

All bloomers **MUST be returned after the last show.**

Boot covers may be provided as part of your child's costume. You will be notified if they **are to be returned after the last show:**
