

ICE SHOW

The James River Figure Skating Club Ice Show is an annual event designed to showcase the skills our skaters have learned throughout the year while providing quality entertainment for the community and raising much-needed funds for JRFSC. This event compares to a dancer's recital, but on a much grander scale. This is like a Super Bowl for our skaters!

Everything you receive in print can also be found on the club website. Please go to www.jamesriverfsc.org and click on the Ice Show tab to find informational documents.

Dates for Shows: March 24-March 26, 2023
7:00 PM March 24, 2:00 & 7:00 PM March 25, & 2:00 PM March 26

Regular skating practice is important for a skater to skate their best in the show. Please make regular class attendance a priority. Learn to Skate Lessons end February 14. The following week, the skaters will begin rehearsals for the Ice Show. The coaches will group the skaters based on their skills. Each group will have at least 2 routines to learn and practice. The practice times more than likely will be similar to the schedule the skater was on for lessons.

Skaters do need to realize it is VERY important they attend Ice Show practice. Each routine will be taught in two sessions. If the skater is absent from both of the sessions, they will NOT be allowed to skate that routine in the show. During the week of the Show, skaters will practice every day (Monday-first half of show, Tuesday-second half of show, Wednesday-full show, Thursday Dress Rehearsal-full show).

Skaters will have costumes for each of the routines and will take them home after the completion of the show. Individual and group photos will be taken in costume on **February 13** at Trinity Lutheran Church. These photos will be put together in a program along with information about the show and the club. You will be able to purchase these photos if you choose. There are also opportunities to advertise and send special messages to your skater (called a 'Happy Gram') in the program book. Please let Lynn Lambrecht (320-7217), Ice Show Program Book Coordinator, know if your business would like an ad in the book. Happy Grams can be purchased on picture night.

It takes many hands to put together a production of this magnitude, so all families are expected to participate. There really is something for everyone. It's also a great way to have fun and get to know other people in the club.

Annetta Tweten, Ice Show Costumer, has already begun taking measurements for costumes and is preparing costumes for every skater. ***If for some reason, a skater is not able to participate in this year's Ice Show, you must notify Jeanne Sortland, Ice Show Producer, as soon as possible, absolutely no later than January 31st.***

More information will follow in the weeks ahead!
